

Relay for Life Fundraiser

Movie Night

Matching Jack

Starring James Nesbitt from Cold Feet, is a drama/love story about a woman who struggles with her son's illness and her husband's infidelity

This movie, well suited to our ongoing quest to raise money for cancer research and for people fighting the disease, not only has scenes set along The Strand in Williamstown, but has a cast member from the family of one of our well known local athletes.

Please come along and join us for a glass of bubbly, a few nibbles, a chat with some folk you may not have seen for a while, a raffle and then the chance to see a movie together.

Venue: Sun Theatre Yarraville

Date: Saturday September 4th

Time: 4pm kick off

Tickets can be purchased/held by texting Gina McVicar on 0409 173 502 or Aprille McMahon on 0412 139 498 ASAP please, as we have a fairly short time frame to work with and the theatre want an idea of numbers by Tuesday Aug 31st.
